20th California Trails and Greenways Conference

The silent auction has always been a popular part of the Trails and Greenways Conference. In an effort to enhance the number and quality of auction items, and more importantly, to allow qualified, trails-related nonprofit organizations to benefit, we're trying something new for 2004.

Auction items may be donated to the Conference in the name of a trails-related nonprofit organization, and that organization will receive the proceeds from the donated item's sale (less a small administrative fee*).

The Silent Auction Committee will determine the eligibility of "trail"-related organizations[(501) (c)(3)]and the appropriateness of the donated items to the trails conference.

Donated items should be forwarded to:

Silent Auction Committee
California State Parks
Statewide Trails Office
PO Box 942896
Sacramento, CA 94296-0001

Or for
shipping:
